Lyrics :

Flowers in hand, waiting for me

Every word in poetry

Won't call me by name, only "Baby"

The more that you give the less that I

Need everyone says I look happy

When it feels right

I know that you're wrong for me

Gonna wish we never met on the day I leave

I brought you down to your knees

'Cause they say that misery loves company

It's not your fault I ruin everything

And it's not your fault I can't be what you need

Baby, angels like you can't fly down hell with me

I'm everything they said I would be

La-la-la

I'm everything they said I would be

I'll put you down slow, love you, goodbye

Before you let go, just one more time

Take off your clothes, pretend that it's fine

A little more hurt won't kill you

Tonight my mom says, "You don't look happy"

Close your eyes

I know that you're wrong for me

Gonna wish we never met on the day I leave

I brought you down to your knees

'Cause they say that misery loves company

It's not your fault I ruin everything

And it's not your fault I can't be what you need

Baby, angels like you can't fly down hell with me

I'm everything they said I would be

I know that you're wrong for me

Gonna wish we never met on the day I leave

I brought you down to your knees

'Cause they say that misery loves company

It's not your fault I ruin everything

And it's not your fault I can't be what you need

Baby, angels like you can't fly down hell with me, oh-oh

Angels like you can't fly down hell with me
