

Song : Christina Perri - Cash Cash

Released : 24 June 2016

Description : Hero is a catchy and uplifting song by the American electronic music trio, Cash Cash. Released in 2016, the song features the vocals of British singer-songwriter, Christina Perri. With its energetic beats and inspirational lyrics, Hero has become a favorite among fans of EDM (Electronic Dance Music) and pop music. The song resonates with listeners for its powerful message about finding strength and hope during challenging times.

Lyrics :

I let my soul fall into you
I never thought I'd fall right through
I fell for every word you said
You made me feel I needed you
And forced my heart to think it's true
But I found I'm powerless with you

Now I don't need your wings to fly
No, I don't need a hand to hold in mine this time
You held me down, but I broke free
I found the love inside of me
Now I don't need a hero to survive
Cause I already saved my life
Cause I already saved my life

I fell into your fantasy
But that's all our love will ever be
I lost hope in saving you and me
You think I'm lost, falling apart
But your lies just made a stronger heart
My life is just about to start

Now I don't need your wings to fly
No, I don't need a hand to hold in mine this time
You held me down, but I broke free
I found the love inside of me
Now I don't need a hero to survive

Cause I already saved my life

Already saved my life

I already saved my life

Already saved my life

I already saved my life

Now I don't need your wings to fly

No, I don't need a hand to hold in mine this time

You held me down, but I broke free

I found the love inside of me

Now I don't need a hero to survive

Cause I already saved my life

Already saved my life

I already saved my life

Already saved my life

I already saved my life

Now I don't need your wings to fly
