Lyrics :

Going out tonight

Changes into something red

Her mother doesn't like that kind of dress

Everything she never had she's showing off

Driving too fast

Moon is breaking through her hair

She's heading for something that she won't forget

Having no regrets is all that she really wants

*[Harry:]*

We're only getting older, baby

And I've been thinking about it lately

Does it ever drive you crazy

Just how fast the night changes?

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

*[Louis:]*

Chasing it tonight,

Doubts are running 'round her head

He's waiting, hides behind a cigarette

Heart is beating loud, and she doesn't want it to stop

*[Niall:]*

Moving too fast

Moon is lighting up her skin

She's falling, doesn't even know it yet

Having no regrets is all that she really wants

*[Harry:]*

We're only getting older, baby

And I've been thinking about it lately

Does it ever drive you crazy

Just how fast the night changes?

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

*[Zayn:]*

Going out tonight

Changes into something red

Her mother doesn't like that kind of dress

Reminds her of the missing piece of innocence she lost

*[Harry (along all):]*

We're only getting older, baby

And I've been thinking about it lately

Does it ever drive you crazy

Just how fast the night changes?

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change, baby

It will never change, baby

It will never change me and you
